Tanaka POWER EQUIPMENT

A Brand Within the Hitachi Power Tools Group

Tanaka Power Equipment is a Brand within the Hitachi Power Tools Group.

Tanaka's innovative product line provides landscapers, construction professionals, property managers, and utility professionals with two-stroke commercial grade outdoor power equipment solutions.

The well-established Tanaka brand offers a complete suite of grass trimmers, brush cutters, multi-task tools, chainsaws, blowers, hedge trimmers, edgers, augers, gas-powered drills, water pumps and a complete mix of accessories.

Tanaka was the first manufacturer to meet the CARB Tier II emissions standard in 1998 with its PureFire two-stroke engine technology. The line features an industry leading seven year consumer use warranty, two year commercial use warranty and one year rental use warranty.
