

- (2) Compact 3.0Ah 18V Lithium Ion Slide-Type Batteries BSL1830C (339782)
- Rapid Charger (UC18YSL3)
- Storage Case (370700)

Via incorporating a third impacting anvil increases driving speed, beats per minute, torque and decreases vibration

For more run time, increased power  
and extended durability with essentially  
no maintenance

For less weight in a more compact size than a traditional 3.0Ah Li-ion battery, while also providing fade free power and protection from over-charge, over-discharge and over-load

For precision and control during a variety of applications

UC18YSL3 Rapid Charger with  
USB Port

30 minute charge time and features a  
USB port to charge mobile devices on  
the go.

□

New Carrying Case

Securely stores the tool, battery and  
charger in one compartment and  
organizes accessories in a second  
compartment for convenience.

□

Responsive Variable Speed  
Trigger

Provides complete control during the  
application.

□

Size and Weight Reduction

Reduces fatigue as well as vibration.

- **Covered by Hitachi's Lifetime Lithium Ion tool warranty & 2-Year Lithium Ion battery warranty**
- [Rated Best Overall Impact Driver by Fine Homebuilding Magazine](#), April/May 2018
- **Triple Hammer Technology** (via incorporating a third impacting anvil) increases driving speed, beats per minute, torque and decreases vibration
- **Features Brushless Motor Technology** for more run time, increased power and extended durability with essentially no maintenance
- **Powered by Hitachi's new Compact 3.0Ah Lithium Ion slide-type battery** for less weight in a more compact size than a traditional 3.0Ah Li-ion battery, while also providing fade free power and protection from over-charge, over-discharge and over-load
- **Produces 1,832 in/lbs of turning torque, 0-4,000 BPM and up to 2,900 RPM** to power through the toughest jobs
- **4-Stage electronic speed switch** for precision and control during a variety of applications
- **IP56 Compliant** to add a degree of protection against dust and water exposure
- **1/4" hex chuck** saves time as bits can be changed quickly and easily
- **Limited and Continuous impact modes** for ultimate control when driving small fasteners or driving into soft material
- **Responsive variable speed trigger** provides complete control during the application
- **Built-in LED light** effectively illuminates dark work spaces
- **On-tool battery indicator** displays the amount of power remaining in the battery pack to avoid downtime
- **Metal belt hook** so the tool is always close at hand
- **Ergonomic grip, center balanced design and lightweight at 2.9 lbs** to reduce fatigue during extended or elevated use
- **New rapid charger** with battery charge level indicator light features a USB port to charge mobile devices on the go
- **New carrying case** securely stores the tool, battery and charger in one compartment and organizes accessories in a second compartment for convenience

Includes:

- (2) Compact 3.0Ah 18V Lithium Ion Slide-Type Batteries BSL1830C (339782)
- Rapid Charger (UC18YSL3)
- Storage Case (370700)

Specifications

Voltage	18
Battery Type	Lithium Ion Slide-Type
Battery Amp Hour	Compact 3.0
Torque	1,832
No-Load Speed	0-2,900 RPM

Impact Rate	0-4,000 BPM
Drive	1/4" Hex
Brushless Motor	Yes
Metal Belt Hook	Yes
Battery Charge Light	Yes
LED Light	Yes
Weight	2.9 lbs
Warranty	Lifetime Tool, 2-Year Battery
