

NV83A5 3-1/4" Coil Framing Nailer

Includes:

- Safety Glasses (875769)

Features:

- **Covered by Hitachi's 5-year Tool Warranty**
- **Cylinder valve drive system** for rapid response and increased durability
- **Selective actuation on trigger** allows for either sequential or contact nailing
- **Rafter hook is included** for convenience on the jobsite
- **Side load pop-out magazine** for fast and easy reloads
- **Open nose design** for easy extraction of a jammed nail
- **Ergonomic non-slip rubber grip on handle** helps maintain a secure hold and comfort during use
- **Hardened claw tip** resists wear on the nose and minimizes slippage when driving at an angle or "toe-nailing"
- **8.8 lbs (or 9.1 lbs if the rafter hook is installed)** lightweight and well balanced for easy maneuverability
