

# WR16SE 1/2" Square Drive AC Brushless Impact Wrench

## Features:

- **Ultra efficient AC Brushless motor** that permits the use of extra-long extension cords without power loss, extends product life and eliminates maintenance of armatures or carbon brushes
- **Superior performance when using a generator** due to an internal inverter circuit that regulates uneven power supply
- **Impressive torque at 270 ft-lbs** for maximum power
- **Powerful 1,600 RPM no-load speed and 1,900 IPM** to handle stubborn fasteners
- **Large toggle switch** to easily transition from forward to reverse
- **Covered in soft, yet durable elastomer** for improved durability and a non-slip grip
- **Large bumper** protects the tools gear cover
- **Four selectable impact ranges** to efficiently match the power to the application
- **Soft start and brake function** for more control
- **AC or DC-** can be used with a generator
- **Lightweight** at only 5.5 lbs for better maneuverability
