- (9) 60-Grit Sand Paper
- (9) 120-Grit Sand Paper
- (9) 240-Grit Sand Paper
- (1) Accessory Storage Box
- (1) Carrying Bag

Features:

- **Covered by Hitachi's 5-year Tool Warranty**
- **Same Tools, New Name.** Metabo HPT is the new brand name for Koki Holdings America-formerly part of the Hitachi Group
- **Powerful 3.5-Amp motor**, produces up to 20,000 OPM for smooth and fast operation.
- **Tool-less blade change**, allows for quick and easy blade change
- **Unique auto-variable speed mode** function delivers two modes of speed. **Variable speed mode** is controlled by a dial with speeds ranging from 1-5 (6,000 -20,000 OPM), and **Auto speed** mode allows the tool to determine the appropriate speed of oscillation (15,000-20,000 OPM) based on the load, which lowers vibration, reduces noise and increases tool life
- **Soft Start** for user safety
- **Constant speed control** maintains speed under load to ensure maximum power is delivered to the application
- **Ergonomic tool body design** provides a well-balanced tool that is comfortable to use for prolonged periods of time
- **Universal design** accepts the majority of accessories that are available on the market
- **Lightweight**, at 3.3 lbs
