- Carrying Case (886146)

### Features:

- [Watch the Hitachi Tool Corner video for this gas nailer](#)
- **Gas powered;** operates on fuel rod and cordless battery, offering complete portability through elimination of air hose and compressor
- **Improved air filter design** for improved dust protection
- **Improved switch** requires less pushing force to operate
- **Collapsible and reversible rafter hook** accommodates both left and right handed users and folds securely away when not needed
- **Drives up to a 3-1/2 inch x .131** paper collated framing nail
- **Dry-fire lockout** prevents accidental dry-fire and assures nails are lodged securely and work is completed as intended for added safety
- **Rear mounted 7.2V, 1.4Ah NiCd battery** provides superior balance to reduce user fatigue
- **Adjustable depth of drive** assures proper nail down with varying materials
- **1-hour charge time** is half the charging time of the leading competition
- **Two-step nail loading** for fast and easy nail replenishments to reduce downtime
- **Nailer drives** over 4,000 nails per charge and each fuel rod (sold separately) drives 1,200 nails
- **Nailer drives** 2 nails per second and 1,000 nails per hour
- **Low battery indicator light** alerts the user of battery charge status to prevent unexpected downtime
- **E-Z view magazine** is made from a composite material that offers exceptional strength and reduces weight, while providing an easy view of the nails to avoid untimely reloads
- **Well-balanced and lightweight** at only 7.7 lbs reducing user fatigue
