

G18DSLP4 18V Lithium Ion 4-1/2" Angle Grinder (Tool Body Only)

Includes:

- Depressed Center Wheel (727535B10)
- Side Handle (318312)
- Spanner Wrench (938332Z)

Features:

- **High torque motor** to power through the toughest cutting and grinding applications
- **Overcurrent protection circuit** shuts down battery power in the event of an overload situation, reducing the risk of causing permanent motor damage
- **Zero voltage safety reset** prevents accidental start-up when inserting a charged battery
- **Elastomer covered handle** for a less fatiguing and slip resistant grip
- **Externally accessible brushes** for quick and easy replacement of worn carbon brushes
- Download the [G18DSLP4 Tool Card](#)

Includes:

- Depressed Center Wheel (727535B10)
- Side Handle (318312)
- Spanner Wrench (938332Z)

Specifications
