

10" Drill Press with Laser

B13F

HITACHI

Chuck 1/16"–1/2"

RPMs 680, 1,160, 1,780, 2,380, 3,000

Weight 61.8 lbs

- **Fully adjustable x-y axis laser** for precision drilling and pinpoint accuracy
- **1/3 HP induction motor** also adds to its longer life and quieter operation
- **Cast iron table measures 7-13/16" square** and tilts up to 45 degrees left or right
- Easy adjustment of the table is achieved by a **smooth rack and pinion gearing system**
